Introducing **The Basin** C o l l e c t i o n

Elevate Your Bathroom with Our Tiled Basin Range

Introducing a collection of suspended vanity tops from Marmox. Combining elegance with modern design, these basins are easy to install, adaptable to various bathroom sizes, and compatible with any tiling option. Each product is robust, waterproof, and designed for quick installation, making it the perfect addition to any space. We also offer customised solutions tailored to your specific needs.

In today's world, design and décor play a leading role in shaping our spaces. We aim to give our interiors true character, adding a personal touch that reflects who we are—creating homes that are inviting, impressive, and uniquely ours.

Installation

Sleek, Floating Vanity Tops

We've created a self-supporting vanity top with hidden fixings, giving it a refined, floating appearance. Using sturdy stainless steel bars, the system is not only easy to install but also incredibly strong, capable of handling heavy loads.

These vanity tops can be customised to fit any room size, and **we offer tailor-made solutions to suit all your project needs.**
